Mars in Sagittarius

Generally, Angelina you should have no problems with assertion, you are ardent and keen with a strong sense of identity. Being confident and sure you are not frightened of telling people what you think. On the other hand, you can be too confident, aggressive and boisterous. Neither of these traits show that you are reticent or shy.

Everything is done in a big way and you want plenty of freedom and space to move. To you if a little is good then more must be even better. You are optimistic and enthusiastic some may say loud, always looking on the bright side. Wishing to do things with others you are easy to get on with, friendly and social. A real team player, you love to push yourself in sport. You adore the challenge of the great outdoors, truly, a great adventurer. You want to prove yourself through physical feats, climbing the highest mountain etc. Extremely competitive.

Angelina you want to be an explorer to discover new worlds and new ideas. Constantly you want to learn, travel and understand. A philosopher and teacher, a disseminator of information. Throughout your life you are involved in learning and travelling. As this is what motivates you and where you push yourself. Therefore, religion, law and other cultures, will also play a role in your life.

You need to avoid being self-righteous, overzealous and watch your tendency to exaggerate, also not to take on more than you can adequately deal with. Since your enthusiasm causes you to overestimate your abilities. You have strong beliefs, although not always the facts, and these you will fight for as a crusader or zealous disciple.

Mars in 10th

Your drive and desire to be first is very obvious to others. You want to be at the top and in the public eye. Most of your energy is directed towards this. Therefore, you are noticed and helped or picked on.

Publicly you show courage and determination. You are hard working patient and disciplined knowing that these qualities are necessary if you are to achieve your ambitions for success. Angelina you are a real achiever. Highly motivated you show all the qualities that are necessary for leadership and authority. You can help yourself here if you become involved in some club etc. which will encourage and support your ambitions. When you act you are conservative, not wanting to waste effort or time, knowing when to make the right move. Your timing should be good since you are shrewd and political.

At your best, you act in a way which enhances your reputation and position. Therefore, you'll steadily head for the top. Publicly you are competitive, always wanting to be strong you hate to show any weaknesses so are seen as cold and aloof. This position is

good for the police or military. At your worst, you are dominating, dictatorial and overbearing. Your aggressiveness can lead you to fight with authority figures. You may get reports back saying you are uncooperative. You take duty and responsibility seriously and invited this from an early age. You are management material.

TALENTS AND OBSTACLES TO MOTIVATION

What aids your assertion and helps you achieve what you want is shown here. The obstacles that you meet in doing this are also shown here. Your particular combination and contradictions show whether life is easy for you and under your control or you are frustrated. Together, they show how complex being assertive is for you.

OBSTACLE: You act impulsively and recklessly not thinking of others or the consequences. Your desire to "do your own thing" becomes disruptive you won't listen and demand to do things your way! You are rash and headstrong. This needs to be focused, like breaking a wild stallion slowly and gently but firmly and if you get away with being rebellious and breaking the rules, you become a real pain. You can change this by learning patience and self-control.

MOTIVATION SUMMARY

Generally you believe in yourself and have faith in life. That gets you off to a good start. It helps you to be assertive because you are sure people will say yes. You know that every cloud has a silver lining.

Few aspects to Mars

This is a weak section of your profile, you may be a placid person. Angelina you seem to lack initiative and do not appear to be very motivated. It's as though you do not know how to direct yourself or have only one way of doing a task. You need help with motivating yourself and problem solving. You may become frustrated when events do not go your way and punish people.
